

LAST YEAR, 705 KIDS WERE ABDUCTED BY A MOUSE.

A simple click is all it takes to give a child molester internet access to your children – access that can actually lead to abduction. Reports of such incidents are everywhere as predators keep getting better at seeking out new victims. The good news is that we keep getting better at fighting back. At the National Center for Missing & Exploited Children, we have created the CyberTipline in partnership with the FBI, U.S. Customs Service, Postal Inspection Service and Secret Service. To report child sexual exploitation, call the police. Then call us at 1-800-843-5678 or contact us at www.cybertipline.com. We work with law enforcement professionals who are ready to track down these criminals and bring them to justice. So do your part to help. Look out for your children online. If you don't, there are plenty of predators who will.
